## Promotion

As Cherry Furniture, our company, which always aims to produce at high quality and adopts the development with the technology that is open to continuous development, has made it a priority to keep customer satisfaction at the forefront and to comply with the quality management system conditions.

Providing quality products or services is not a coincidence, it is the result of systematic and disciplined work.

Our manufacturing area and machines are constantly renewed with expert and experienced staff.

This is an indication that our production area is constantly growing.

Our mission is to continuously develop innovative production and products at high standards and to produce them in accordance with the usage habits of different lifestyles.

We deliver our products to you with a complete packaging system after undergoing various inspections with expert and experienced personnel and masters.

We will continue to do our best to ensure that your satisfaction and use of our products is long and lasts for many years.

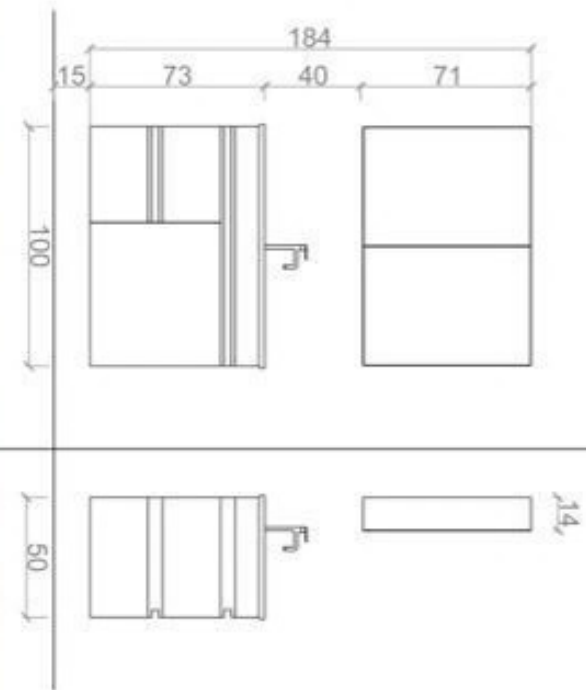

## Why Should You Prefer Cherry Furniture?

- 1) With the lowest price policy, we offer unique prices to our valued customers on e-commerce sites.
- 2) For many years, we have been serving you by adopting 100% customer satisfaction as a principle.
- 3) We are waiting for you in our store with our long years of experience in FMCG products, our understanding of service that cares about customer satisfaction and reasonable prices.
- 4) Our store goal is to bring the highest quality products to our customers in the fastest and safest way.
- 5) The satisfaction of our customers is our most important source of motivation.
- 6) We are here to bring you the best products at the most affordable prices and in the fastest way.
- 7) We are at the service of our customers with our manufacturer-guaranteed products.
- 8) Our priority is the satisfaction of our customers. Since all of our products are our own production, you can buy them with confidence.
